2017

Dear Ladies and Gentlemen,

on behalf of the FEI the German Federation plans to carry out a Dressage Seminar about 'Training, Competing and Judging Young Dressage Horses (from 4 years to Grand Prix)' from 2 – 5 September 2017.

Here we are taking up a tradition as we have already had some seminars here in Warendorf with similar subjects.

Please find enclosed the Invitation and the planned timetable. For the first two days you can watch the Bundeschampionate (national championships for 3-6 years young horses). We will have personalities to look after you who will give competent explanation and clarify the German competition system to the participants.

On the 2nd/3rd of September we will have that part of the seminar in which the impressions of the Bundeschampionate will be reflected and training ways and judging from the 4 year to 6 year old horse and later on to the Grand Prix horse are discussed. The seminar will include theoretical parts as well as practical ones.

We invite judges, stewards, trainers, riders and everyone who might be interested in the subject of dressage training. This seminar is published on the FEI website www.horsesport.org. **Attention: Deadline for applications 1st July 2017**

We will be happy to answer the questions you might have. Please do not hesitate to contact us.

Kind regards and hope to see you in Warendorf.

Christoph Hess
